My wife and I are on a fixed income. Social Security never even had a cost of living increase this year and AWC wants to increase our water bill by almost a third! This is outrageous. Their rates are already the highest rates I have ever paid for water anywhere and their water is the worst water (here in Casa Grande) that I have ever used. The neighbors although they might not send in a comment are strongly against this rate increase! We are ALL against this proposal.
